Background of the Firm

We deem it is an appropriate opportunity to introduce ourselves. The Branding Gallery, Chittagong, Bangladesh a pioneer buying house establishment in field of apparel fashion and design to prospective buyers. In brief, some of our activities involve sourcing of raw materials both from abroad and locally, quality control of raw materials and garments and ensuring with competitive price. We welcome customers from all over the world and in return allow us an opportunity to prove that Bangladesh can be your best source of buying to truly understand a country and its culture, you have to be part of it, and we aim to “Make Promises” Enable Promises and “Keep Promises”.

It is our pleasure to inform you that we care apparel garments of Bangladesh to the promotional, corporate and wholesale buyers , Our productions portfolio covers a wide range and rarity in design, texture shades and color , while planning the design and assortment of cheerful colors we take pain to match the scintillating personality of the user with a fast life pattern, Our moto is modernity and we take pride in being always contemporary and always distinct. From the year 2015 Branding Gallery started business in his trade as a buying agent and supplying all kind of apparels garments and accessories with satisfactory. We may mention here that we are working with same buyers since our starting to till now without having any issues from both, Our well experienced merchandising team is always following up the order . Each and every factory have own merchandiser who are given the report to the central merchandiser. We have a smart quality control team who are working only maintain the quality of garments under controlling by our central merchandising even factory have own strong se-up of quality control & production team.

Woven and Knit Sample Section

We have Expert pattern technician who are taking care all of our sampling & pattern issues including bulk production. At that moment we are taking support from our existing factories for all the development. Our sample section is under process, hopefully will start within this year.

Lead Time:

90 to 120 days, depending on fabrics qualities (local or imported), factories production space and difficulty of realization of the product. All our productions are daily controlled by our quality controllers' team who advise our merchandisers every day's about what they've seen in factories. The whole of our productions is subjected to a final inspection before being dispatched.
